25-29 November 2018

Royal International Convention Centre • Brisbane QLD

Ecology in the Anthropocene

FIELD TRIP PROPOSAL – ESA18

Field trip title

Fieldtrip organisers name and contact information

Fieldtrip description

Overview: Why would an ESA delegate want to go on this trip? Please provide more than just a site description; the overview should express what participants will see and do.

Fieldtrip itinerary

Duration: _____

Start time: _____ Finish time: _____

Itinerary: (include the departure point, if known, order, timing and location of stops)

Equipment and attire

Please advise if any special footwear is required or other considerations. Will there be any strenuous activity or rough terrain that attendees with mobility difficulties should be aware of?

Logistics

Catering: Will catering need to be provided? If so, what? Are there any places along the way where attendees can buy food or drink?

Overnight accommodation (if applicable):

Transport: Will you arrange transport as required, or would you like us to assist you?

Minimum / Maximum numbers:

In addition to one trip leader, how many other people will be with you to lead this field trip?

Is there any other information that we should know?

Costs (if known)

Please let us know the cost per participant (if known), and what this includes, such as meals, entrance fees etc:
